

# Navyashree M S

## Professional Summary

Enthusiastic and motivated Computer Science student skilled in Python, HTML, machine learning, and software testing. Strong problem-solving and adaptable to new challenges, seeking an entry-level role to contribute technical expertise and grow in a professional environment.

## Projects

### AI Voice Cloning System | Python, Generative AI

- Designed a system that clones voices using deep learning models.
- Implemented training pipelines in Jupyter Notebook for voice replication.

### Online Leave Management System | PHP, MySQL

- Developed a web application to automate leave requests and approvals.
- Learned HTML, CSS, JavaScript for the front end and MySQL for data storage.

## Experience

### Test Engineer Training 2025

- Infosys Foundation & ICT Academy : Trained in JUnit, TestNG, Selenium, Cucumber.

### Pragati Path to Future Cohort 3 2025

- Infosys Springboard : 5-day training on emerging technologies, communication, teamwork.

### Machine Learning 2025

- Workshop : Built ML models for classification & preprocessing.

## Certifications

- Introduction to Artificial Intelligence - Infosys Springboard.
- Introduction to Cyber Security - Simplilearn.
- Software Engineering and Agile Software Development - Infosys Springboard.

## Skills

### Programming:

Python, Java, HTML, CSS,

### Concepts:

Machine Learning, SE,OOPS.

### Software Testing:

JUnit, TestNG, Selenium.

**Database:** MySQL.

## Education

### VTU University 2022-2026

- Bachelor of Engineering.
- Computer Science and Engineering.
- CGPA: 8.74

### PUE Board 2021-2022

- 12th : 80%

### CBSE Board 2019-2020

- 10th : 83.3%

## Languages

- Kannada (Native)
- English (B2)
- Hindi (B1)
